- Access to online resources and connection to sustain relationships and help reduce isolation.

## What to expect?

- Coffee and refreshments
- Welcome & Tradeswomen Guest Speaker
- Leadership Learning Session 1
- Lunch (provided) and networking
- Leadership Learning Session 2
- Key learnings, actions & insights

Access to online materials, and lots of opportunities to connect and share.

## What will it cost?

These events are free for tradeswomen.

## What Roadshows won't be...

A long boring day sitting around listening and getting talked to!

Instead, the day will be interactive – you will dig into the materials, share experiences and perspectives.

## Who should attend?

Tradeswomen in industrial and construction trades at all career stages: pre-apprentice, apprentice, journeyman and tradeswomen holding other roles are all welcome.

Funded in part by the
